

READING MOTO SHEETS

WHAT MOTO ARE YOU IN? WHAT GATES DO YOU HAVE? WHO ARE YOU RACING?

It's the call everyone is waiting for. "Motos are posted!" calls out the announcer. Suddenly, everyone drops what they are doing and crowds around the moto boards. The moto sheets will tell you what race you are in, who is in your race, how many are transferring to the main, and what gate positions you have. All of this is vital information that you'll need to know.

The breakdown below should help explain what you are looking at.

CLASS: This is what age/class you have been put in. If there were not enough riders for your own age and class, you may be racing kids older or younger than you.

GATE/LANE ASSIGNMENT: These 3 numbers represent which lane you will be starting from in each of your rounds.

MOTO NUMBER: This is what moto you're in. They start with Moto #1 and count up.

TOTAL RIDERS: This is how many people you'll be racing. In the case of 9 riders or more, you'll have more than 1 group for that age/class.

QUALIFIERS: This is how many riders they'll be transferring out of each moto. See page 15 for an explanation.

SERIAL #: This is where your official number is listed. Brand new riders will be listed as NFM (New Full Members).

BIKE #: Make sure the number on your bike matches the Rider Number on the moto sheet.

NAME/AGE-CLASS: Along with your name will be all the riders you'll be racing against. Next to their names will be their age and skill level. Some sheets will also list sponsors (if they have any) and their hometown.
